

Boat Insurance

Before your boat gets off your trailer or leaves the dock to reach open water, make sure that you and your boat are fully protected! Boat and personal watercraft insurance can protect you against accidents or vandalism, and insures you against liability.

Boat/PWC Insurance Coverage

Boat policies provide coverage for customers who need their boat or personal watercraft protected from physical damage perils and liability. Optional coverage's can also be purchased for protection against damage caused by an uninsured boater, for personal property and for fishing equipment.
